

## SAC Clutch Mandrel Set BMW

### Contents:

4 Mandrels:

- 1 x 23mm diameter
- 1 x 26.5mm diameter
- 1 x 28mm diameter
- 1 x 34mm diameter

1 x Setscrew M8 x 40mm

### Description

Four sizes specifically designed for BMW clutches where the new clutch cover is fitted with a removable centrally mounted locking plate as shown.

This locking plate can only be removed once the clutch cover is fitted which prevents standard clutch aligning mandrels, with handles, being used.

### Packaging

Tube with label
